FOR IMMEDIATE RELEASE

The Myanmar Garment Manufacturers Association (MGMA) plans to host '2nd Annual Factory Awards Dinner' on October 24th

Dinner aims to bring together leaders in the industry for a celebration of achievements in improving social compliance practices

Following on the success of last year's first-ever Factory Awards Dinner, the MGMA is hosting 200 guests at the Summit Parkview Hotel Grand Ballroom from 6pm-9pm on October 24th. Business networking and the awards ceremony will take place from 6pm-7:30pm with the dinner following.

One factory will be honored with a "SMART Award" for excellence in social compliance improvements. A 2nd "runner-up" factory will be awarded an 'honorable mention' for excellent practices in employee contracts and workplace conditions. A rigorous selection process was conducted by SMART Myanmar's (www.smartmyanmar.org) social compliance experts in order to ensure that the applying factories truly represent excellent practices in manufacturing in Myanmar.

Beyond recognizing manufacturing achievements, this event is the premier business networking event of the year for Myanmar's garment industry. The MGMA is also delighted to welcome Professor Dr. Aung Tun Thet as the evening's keynote speaker.
